

PECASA REGALSYSTEM

—

Pecasa système d'étagères
Pecasa shelf system

DE Für Pecasa ist eine fachkundige Montage erforderlich, denn unsachgemäße Montage kann zu Unfällen führen; Möbel/Gegenstand könnte kippen oder umfallen. **WICHTIG!** Schrauben oder Beschläge zur Wand-/Deckenbefestigung sind nicht beige packt. Achten Sie darauf, dass Sie Schrauben/Beschläge entsprechend der Wandbeschaffenheit und mit ausreichender Tragfähigkeit verwenden. Erkundigen Sie sich gfs. beim Eisenwarenfachhandel.

FR Montage professionnel requis. Un montage incorrect peut entraîner des accidents ; les meubles / objets peuvent basculer ou tomber. **IMPORTANT !** Les vis ou les armatures pour la fixation au plafond / murale ne sont pas comprises. Veuillez à utiliser des vis / armatures adaptées à la constitution du mur et affichant une capacité de charge suffisante. Le cas échéant, renseignez-vous en quincaillerie.

EN Expert assembly required. Improper assembly could cause accidents; furniture/objects could topple or fall over. **IMPORTANT!** The pack does not include screws or fittings for fixing the system to the wall/ceiling. Make sure that you use screws/fittings that are suitable for the wall's condition and have sufficient load-bearing capacity. If necessary, check at a hardware store.

DE Wandbeschaffenheit prüfen.
FR Vérifier la constitution du mur.
EN Check wall condition.

DE ACHTUNG bei Montage eines Glastablers auf Augenhöhe! Aus Gründen der Sichtbarkeit immer einen massiven Körper darunter montieren.
FR ATTENTION en cas de montage d'une étagère en verre à la hauteur des yeux ! Pour des raisons de visibilité, toujours monter un caisson massif au-dessous.
EN CAUTION: If mounting a glass shelf at eye level, always fit a large cabinet or box underneath it to boost its visibility.

DE Beratung durch Fachpersonal.
FR Conseils par des professionnels.
EN Consult a professional.

DE Montage mit Kleber vom Fachmann abklären lassen. ! Muss für den vorgesehenen Verwendungszweck geeignet sein.
FR Se faire expliquer le montage avec de la colle par un professionnel. ! Doit être adapté pour l'utilisation prévue.
EN Consult a professional for advice about using glue for assembly. ! The glue must be suitable for the intended use.

DE Montage durch Fachpersonal.
FR Montage par des professionnels.
EN Must be installed by a professional.

DE Schrauben oder Beschläge zur Wandbefestigung durch Fachmann abklären lassen.
FR Se faire expliquer par un professionnel les vis ou les armatures pour la fixation murale.
EN Consult a professional for advice about the screws or fittings to use to fix the system to the wall.

DE Bei fehlerhafter Montage droht Gefahr durch herunterfallende Elemente.
FR En cas de montage erroné, des éléments risquent de tomber.
EN If the system is not installed correctly, elements may fall down.
