

## GUARANTEE

A guarantee period of two years from the delivery date applies to all products with hidden material or structural defects. The guarantee entitles the buyer to have the product repaired or replaced, depending on what is possible. However, the buyer shall not be entitled to any further compensation.

If a material or structural defect is discovered, the buyer must notify peka immediately.

The guarantee shall not apply to damage caused by normal wear and tear; incorrect use; incorrect assembly; modifications or interference; an external factor like a natural hazard, fall or blow; and so on.
